

**“Where the world runs for materialistic accomplishments, we run for man-making and character building embedded with academic excellence”.**

Contemplation is the need of the hour to mitigate the threats that rise due to excessive freedom or no freedom in the society. The society that has gone astray needs a forerunner who can guide our children from absolute haze to a clear bright sky.

The same is catered by the ‘*Sevakas*’ here at SIVANANDA CENTENARY BOYS’ SCHOOL, BHUBANESWAR.

Ours is a state-of-the-art, well equipped, 10+2 CBSE affiliated, Boys’ Residential *Gurukul* in the heart of the temple city that focuses on the highest level of academic accomplishment for our youth who can simultaneously lead a path to serve, love, give, purify, meditate and realize- the essence of The Divine Life Society-our parent organization. The school upholds the need of a child to compete in the modern world smartly keeping him away from the depravity of the society. The goodness of *dharma*, *karma*, empathy, sympathy, perseverance, punctuality is instilled in every child. Sufficient care is taken towards physical and mental well-being of the children. We believe in ‘be good and do good’ philosophy propagated by Swami Sivananda and his disciples. We have a mission of creating global citizens who would lead the world to a heavenly abode away from greed, lust, jealousy, hatred and intolerance yet equipped with all that is required to cope up with the contemporary world.

The school is four decades old and it has already carved a niche in the education hub of Bhubaneswar. It has produced hundreds of successful individuals that include administrative officers, renowned doctors, engineers and professors. Many more are on the way. It has been a well-known rendezvous for great personalities like Dr. A.P.J Abdul Kalam, former President of India, Shri Dharmendra Pradhan, Hon’ble Education Minister, Smt. Aparajita Sarangi, Member of Parliament, Ambassador Shri Deepak Vohra, Spl. Advisor to the P.M, Gajapati Maharaj Sri Dibyasingha Deb and other distinguished luminaries. They have been consistently patronizing the school to bring it to the zenith of man-making.

Parents can rest assured that their children are in safe hands with us. They will definitely grow up into ideal citizens of mother India. Let us build them up together...
